STRENGTHENING ABUSE AND NEGLECT COURTS

Pub. L. 106-314, Oct. 17, 2000, 114 Stat. 1266, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘Strengthening Abuse and Neglect Courts Act of 2000’.

“SEC. 2. FINDINGS.

“Congress finds the following:

“(1) Under both Federal and State law, the courts play a crucial and essential role in the Nation’s child welfare system and in ensuring safety, stability, and permanence for abused and neglected children under the supervision of that system.

“(2) The Adoption and Safe Families Act of 1997 (Public Law 105-89; 111 Stat. 2115) [see Short Title of 1997 Amendment note set out under section 1305 of this title] establishes explicitly for the first time in Federal law that a child’s health and safety must be the paramount consideration when any decision is made regarding a child in the Nation’s child welfare system.

“(3) The Adoption and Safe Families Act of 1997 promotes stability and permanence for abused and neglected children by requiring timely decision-making in proceedings to determine whether children can safely return to their families or whether they

should be moved into safe and stable adoptive homes or other permanent family arrangements outside the foster care system.

“(4) To avoid unnecessary and lengthy stays in the foster care system, the Adoption and Safe Families Act of 1997 specifically requires, among other things, that States move to terminate the parental rights of the parents of those children who have been in foster care for 15 of the last 22 months.

“(5) While essential to protect children and to carry out the general purposes of the Adoption and Safe Families Act of 1997, the accelerated timelines for the termination of parental rights and the other requirements imposed under that Act increase the pressure on the Nation’s already overburdened abuse and neglect courts.

“(6) The administrative efficiency and effectiveness of the Nation’s abuse and neglect courts would be substantially improved by the acquisition and implementation of computerized case-tracking systems to identify and eliminate existing backlogs, to move abuse and neglect caseloads forward in a timely manner, and to move children into safe and stable families. Such systems could also be used to evaluate the effectiveness of such courts in meeting the purposes of the amendments made by, and provisions of, the Adoption and Safe Families Act of 1997.

“(7) The administrative efficiency and effectiveness of the Nation’s abuse and neglect courts would also be improved by the identification and implementation of projects designed to eliminate the backlog of abuse and neglect cases, including the temporary hiring of additional judges, extension of court hours, and other projects designed to reduce existing caseloads.

“(8) The administrative efficiency and effectiveness of the Nation’s abuse and neglect courts would be further strengthened by improving the quality and availability of training for judges, court personnel, agency attorneys, guardians ad litem, volunteers who participate in court-appointed special advocate (CASA) programs, and attorneys who represent the children and the parents of children in abuse and neglect proceedings.

“(9) While recognizing that abuse and neglect courts in this country are already committed to the quality administration of justice, the performance of such courts would be even further enhanced by the development of models and educational opportunities that reinforce court projects that have already been developed, including models for case-flow procedures, case management, representation of children, automated interagency interfaces, and ‘best practices’ standards.

“(10) Judges, magistrates, commissioners, and other judicial officers play a central and vital role in ensuring that proceedings in our Nation’s abuse and neglect courts are run efficiently and effectively. The performance of those individuals in such courts can only be further enhanced by training, seminars, and an ongoing opportunity to exchange ideas with their peers.

“(11) Volunteers who participate in court-appointed special advocate (CASA) programs play a vital role as the eyes and ears of abuse and neglect courts in proceedings conducted by, or under the supervision of, such courts and also bring increased public scrutiny of the abuse and neglect court system. The Nation’s abuse and neglect courts would benefit from an expansion of this program to currently underserved communities.

“(12) Improved computerized case-tracking systems, comprehensive training, and development of, and education on, model abuse and neglect court systems, particularly with respect to underserved areas, would significantly further the purposes of the Adoption and Safe Families Act of 1997 by reducing the average length of an abused and neglected child’s stay in foster care, improving the quality of decision-making and court services provided to children and families, and increasing the number of adoptions.

“SEC. 3. DEFINITIONS.

EX. ORD. NO. 13930. STRENGTHENING THE CHILD WELFARE SYSTEM FOR AMERICA'S CHILDREN

Ex. Ord. No. 13930, June 24, 2020, 85 F.R. 38741, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SECTION 1. *Purpose.* Every child deserves a family. Our States and communities have both a legal obligation, and the privilege, to care for our Nation's most vulnerable children.

The best foster care system is one that is not needed in the first place. My Administration has been focused on prevention strategies that keep children safe while strengthening families so that children do not enter foster care unnecessarily. Last year, and for only the second time since 2011, the number of children in the foster care system declined, and for the third year in a row, the number of children entering foster care has declined.

But challenges remain. Too many young people who are in our foster care system wait years before finding the permanency of family. More than 400,000 children are currently in foster care. Of those, more than 124,000 children are waiting for adoption, with nearly 6 out of 10 (58.4 percent) having already become legally eligible for adoption.

More than 50 percent of the children waiting for adoption have been in foster care—without the security and constancy of a permanent family—for 2 years or more. The need for stability and timely permanency is particularly acute for children 9 years and older, children in sibling groups, and those with intellectual or physical disabilities.

Even worse, too many young men and women age out of foster care having never found a permanent, stable family. In recent years, approximately 20,000 young people have aged out of foster care each year in the United States. Research has shown that young people who age out of the foster care system are likely to experience significant, and significantly increased, life challenges—40 percent of such young people studied experienced homelessness; 50 percent were unemployed at age 24; 25 percent experienced post-traumatic stress disorder; and 71 percent became pregnant by age 21. These are unacceptable outcomes.

Several factors have contributed to the number of children who wait in foster care for extended periods. First, State and local child welfare agencies often do not have robust partnerships with private community organizations, including faith-based organizations. Second, those who step up to be resource families for children in foster care—including kin, guardians, foster parents, and adoptive parents—may lack adequate support. Third, too often the processes and systems meant to help children and families in crisis have instead created bureaucratic barriers that make it more difficult for these children and families to get the help they need.

It is the goal of the United States to promote a child welfare system that reduces the need to place children into foster care; achieves safe permanency for those children who must come into foster care, and does so more quickly and more effectively; places appropriate focus on children who are waiting for adoption, especially those who are 9 years and older, are in sibling groups, or have disabilities; and decreases the proportion of young adults who age out of the foster care system.

Children from all backgrounds have the potential to become successful and thriving adults. Yet without a committed, loving family that can provide encouragement, stability, and a lifelong connection, some children may never receive the support needed to realize that potential.

This order will help to empower families who answer the call to open their hearts and homes to children who need them. My Administration is committed to helping give as many children as possible the stability and support that family provides by dramatically improving our child welfare system.

SEC. 2. *Encouraging Robust Partnerships Between State Agencies and Public, Private, Faith-based, and Community Organizations.* (a) In order to facilitate close partnerships between State agencies and nongovernmental organizations, including public, private, faith-based, and community groups, the Secretary of Health and Human

Services (the “Secretary”) shall provide increased public access to accurate, up-to-date information relevant to strengthening the child welfare system, including by:

(i) Publishing data to aid in the recruitment of community support. Within 1 year of the date of this order [June 24, 2020] and each year thereafter, the Secretary shall submit to the President, through the Assistant to the President for Domestic Policy, a report that provides information about typical patterns of entry, recent available counts of children in foster care, and counts of children waiting for adoption. To the extent appropriate and consistent with applicable law, including all privacy laws, this data will be disaggregated by county or other sub-State level, child age, placement type, and prior time in care.

(ii) Collecting needed data to preserve sibling connections.

(A) Within 2 years of the date of this order, the Secretary shall collect information from appropriate State and local agencies on the number of children in foster care who have siblings in foster care and who are not currently placed with their siblings.

(B) Within 3 years of the date of this order, to support the goal of keeping siblings together (42 U.S.C. 671(a)(31)(A)), the Secretary shall develop data analysis methods to report on the experience of children entering care in sibling groups, and the extent to which they are placed together. The Secretary's analysis shall also assess the extent to which siblings who are legally eligible for adoption achieve permanency together.

(iii) Expanding the number of homes for children and youth.

(A) Within 2 years of the date of this order, the Secretary shall develop a more rigorous and systematic approach to collecting State administrative data as part of the Child and Family Services Review required by section 1123A of the Social Security Act (the “Act”) (42 U.S.C. 1320a–2a). Data collected shall include:

(1) demographic information for children in foster care and waiting for adoption;

(2) the number of currently available foster families and their demographic information;

(3) the average foster parent retention rate and average length of time foster parents remain certified;

(4) a target number of foster homes needed to meet the needs of children in foster care; and

(5) the average length of time it takes to complete foster and adoptive home certification.

(B) The Secretary shall ensure, to the extent consistent with applicable law, that States report to the Secretary regarding strategies for coordinating with nongovernmental organizations, including faith-based and community organizations, to recruit and support foster and adoptive families.

(b) Within 1 year of the date of this order, the Secretary shall issue guidance to Federal, State, and local agencies on partnering with nongovernmental organizations. This guidance shall include best practices for information sharing, providing needed services to families to support prevention of children entering foster care, family preservation, foster and adoptive home recruitment and retention, respite care, post-placement family support, and support for older youth. This guidance shall also make clear that faith-based organizations are eligible for partnerships under title IV–E [probably means part E of title IV] of the Act (42 U.S.C. 670 *et seq.*), on an equal basis, consistent with the First Amendment to the Constitution.

SEC. 3. *Improving Access to Adequate Resources for Caregivers and Youth.* While many public, private, faith-based, and community resources and other sources of support exist, many American caregivers still lack connection with and access to adequate resources. Within 1 year of the date of this order, the Secretary shall equip caregivers and those in care to meet their unique challenges, by:

(a) Expanding educational options. To the extent practicable, the Secretary shall use all existing technical assistance resources to promote dissemination and State implementation of the National Training and Development Curriculum, including, when appropriate, in non-classroom environments.

(b) Increasing the availability of trauma-informed training. The Secretary shall provide an enhanced, web-based, learning-management platform to house the information generated by the National Adoption Competency Mental Health Training Initiative. Access to this web-based training material will be provided free of charge for all child welfare and mental health practitioners.

(c) Supporting guardianship. The Secretary shall provide information to States regarding the importance and availability of funds to increase guardianship through the title IV-E Guardianship Assistance Program (42 U.S.C. 673), which provides Federal reimbursement for payments to guardians and for associated administrative costs. This information shall include which States have already opted into the program.

(d) Enhancing support for kinship care and youth exiting foster care. The Secretary shall establish a plan to address barriers to accessing existing Federal assistance and benefits for eligible individuals.

SEC. 4. *Ensuring Equality of Treatment and Access for all Families.* The Howard M. Metzenbaum Multiethnic Placement Act of 1994 (the “Multiethnic Placement Act”) (Public Law 103-382[, title V, part E, subpart 1 (§551 et seq.); see Tables for classification]), as amended, prohibits agencies from denying to any person the opportunity to become an adoptive or a foster parent on the basis of race, color, or national origin (42 U.S.C. 671(a)(18)(A)); prohibits agencies from delaying or denying the placement of a child for adoption or into foster care on the basis of race, color, or national origin (*id.* 671(a)(18)(B)); and requires agencies to diligently recruit a diverse base of foster and adoptive parents to better reflect the racial and ethnic makeup of children in out-of-home care (*id.* 662(b)(7)). To further the goals of the Multiethnic Placement Act, the Secretary shall:

(a) within 6 months of the date of this order, initiate a study regarding the implementation of these requirements nationwide;

(b) within 1 year of the date of this order, update guidance, as necessary, regarding implementation of the Multiethnic Placement Act; and

(c) within 1 year of the date of this order, publish guidance regarding the rights of parents, prospective parents, and children with disabilities (including intellectual, developmental, or physical disabilities).

SEC. 5. *Improving Processes to Prevent Unnecessary Removal and Secure Permanency for Children.* (a) Federal Review of Reasonable Effort Determinations and Timeliness Requirements.

(i) Within 2 years of the date of this order, the Secretary shall require that both the title IV-E reviews conducted pursuant to 45 CFR 1356.71 and the Child and Family Services Reviews conducted pursuant to 45 CFR 1355.31–1355.36 specifically and adequately assess the following requirements:

(A) reasonable efforts to prevent removal;

(B) filing a petition for Termination of Parental Rights within established statutory timelines and court processing of such petition, unless statutory exemptions apply;

(C) reasonable efforts to finalize permanency plans; and

(D) completion of relevant required family search and notifications and how such efforts are reviewed by courts.

(ii) In cases in which it is determined that statutorily required timelines and efforts have not been satisfied, the Secretary shall make use of existing authority in making eligibility determinations and disallowances consistent with section 1123A(b)(3)(4) of the Act (42 U.S.C. 1320a-2a(b)(3)(4)) [probably means 42 U.S.C. 1320a-2a(b)(3) and (4)].

(iii) Within 2 years of the date of this order, the Secretary shall develop metrics to track permanency out-

comes in each State and measure State performance over time.

(iv) Within 6 months of the date of this order, the Secretary shall provide guidance to States regarding flexibility in the use of Federal funds to support and encourage high-quality legal representation for parents and children, including pre-petition representation, in their efforts to prevent the removal of children from their families, safely reunify children and parents, finalize permanency, and ensure that their voices are heard and their rights are protected. The Secretary shall also ensure collection of data regarding State use of Federal funds for this purpose.

(b) Risk and Safety Assessments.

(i) Within 18 months of the date of this order, the Secretary shall collect States’ individual standards for conducting risk and safety assessments required under section 106(b)(2)(B)(iv) of the Child Abuse Prevention and Treatment Act (42 U.S.C. 5106(b)(2)(B)(iv)) [probably means 42 U.S.C. 5106a(b)(2)(B)(iv)].

(ii) Within 2 years of the date of this order, the Secretary shall outline reasonable best practice standards for risk and safety assessments, including how to address domestic violence and substance abuse.

SEC. 6. *Indian Child Welfare Act.* Nothing in this order shall alter the implementation of the Indian Child Welfare Act [of 1978; 25 U.S.C. 1901 et seq.] or replace the tribal consultation process.

SEC. 7. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

DONALD J. TRUMP.

(D) reasonable efforts of the type described in subparagraph (B) shall not be required to be made with respect to a parent of a child if a court of competent jurisdiction has determined that—

(17) provides that, where appropriate, all steps will be taken, including cooperative efforts with the State agencies administering the program funded under part A and plan approved under part D, to secure an assignment to the State of any rights to support on behalf of each child receiving foster care maintenance payments under this part;

(18) not later than January 1, 1997, provides that neither the State nor any other entity in the State that receives funds from the Federal Government and is involved in adoption or foster care placements may—

(A) deny to any person the opportunity to become an adoptive or a foster parent, on the basis of the race, color, or national origin of the person, or of the child, involved; or

(B) delay or deny the placement of a child for adoption or into foster care, on the basis of the race, color, or national origin of the adoptive or foster parent, or the child, involved;

(19) provides that the State shall consider giving preference to an adult relative over a non-related caregiver when determining a placement for a child, provided that the relative caregiver meets all relevant State child protection standards;

(20)(A) provides procedures for criminal records checks, including fingerprint-based checks of national crime information databases (as defined in section 534(f)(3)(A) of title 28), for any prospective foster or adoptive parent before the foster or adoptive parent may be finally approved for placement of a child regardless of whether foster care maintenance payments or adoption assistance payments are to be made on behalf of the child under the State plan under this part, including procedures requiring that—

(i) in any case involving a child on whose behalf such payments are to be so made in which a record check reveals a felony conviction for child abuse or neglect, for spousal abuse, for a crime against children (including child pornography), or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery, if a State finds that a court of competent jurisdiction has determined that the felony was committed at any time, such final approval shall not be granted; and

(ii) in any case involving a child on whose behalf such payments are to be so made in which a record check reveals a felony conviction for physical assault, battery, or a drug-related offense, if a State finds that a

court of competent jurisdiction has determined that the felony was committed within the past 5 years, such final approval shall not be granted;

(B) provides that the State shall—

(i) check any child abuse and neglect registry maintained by the State for information on any prospective foster or adoptive parent and on any other adult living in the home of such a prospective parent, and request any other State in which any such prospective parent or other adult has resided in the preceding 5 years, to enable the State to check any child abuse and neglect registry maintained by such other State for such information, before the prospective foster or adoptive parent may be finally approved for placement of a child, regardless of whether foster care maintenance payments or adoption assistance payments are to be made on behalf of the child under the State plan under this part;

(ii) comply with any request described in clause (i) that is received from another State; and

(iii) have in place safeguards to prevent the unauthorized disclosure of information in any child abuse and neglect registry maintained by the State, and to prevent any such information obtained pursuant to this subparagraph from being used for a purpose other than the conducting of background checks in foster or adoptive placement cases;

(C) provides procedures for criminal records checks, including fingerprint-based checks of national crime information databases (as defined in section 534(f)(3)(A) of title 28), on any relative guardian, and for checks described in subparagraph (B) of this paragraph on any relative guardian and any other adult living in the home of any relative guardian, before the relative guardian may receive kinship guardianship assistance payments on behalf of the child under the State plan under this part; and

(D) provides procedures for any child-care institution, including a group home, residential treatment center, shelter, or other congregate care setting, to conduct criminal records checks, including fingerprint-based checks of national crime information databases (as defined in section 534(f)(3)(A) of title 28), and checks described in subparagraph (B) of this paragraph, on any adult working in a child-care institution, including a group home, residential treatment center, shelter, or other congregate care setting, unless the State reports to the Secretary the alternative criminal records checks and child abuse registry checks the State conducts on any adult working in a child-care institution, including a group home, residential treatment center, shelter, or other congregate care setting, and why the checks specified in this subparagraph are not appropriate for the State;

(21) provides for health insurance coverage (including, at State option, through the program under the State plan approved under subchapter XIX) for any child who has been determined to be a child with special needs,

for whom there is in effect an adoption assistance agreement (other than an agreement under this part) between the State and an adoptive parent or parents, and who the State has determined cannot be placed with an adoptive parent or parents without medical assistance because such child has special needs for medical, mental health, or rehabilitative care, and that with respect to the provision of such health insurance coverage—

(A) such coverage may be provided through 1 or more State medical assistance programs;

(B) the State, in providing such coverage, shall ensure that the medical benefits, including mental health benefits, provided are of the same type and kind as those that would be provided for children by the State under subchapter XIX;

(C) in the event that the State provides such coverage through a State medical assistance program other than the program under subchapter XIX, and the State exceeds its funding for services under such other program, any such child shall be deemed to be receiving aid or assistance under the State plan under this part for purposes of section 1396a(a)(10)(A)(i)(I) of this title; and

(D) in determining cost-sharing requirements, the State shall take into consideration the circumstances of the adopting parent or parents and the needs of the child being adopted consistent, to the extent coverage is provided through a State medical assistance program, with the rules under such program;

(22) provides that, not later than January 1, 1999, the State shall develop and implement standards to ensure that children in foster care placements in public or private agencies are provided quality services that protect the safety and health of the children;

(23) provides that the State shall not—

(A) deny or delay the placement of a child for adoption when an approved family is available outside of the jurisdiction with responsibility for handling the case of the child; or

(B) fail to grant an opportunity for a fair hearing, as described in paragraph (12), to an individual whose allegation of a violation of subparagraph (A) of this paragraph is denied by the State or not acted upon by the State with reasonable promptness;

(24) includes a certification that, before a child in foster care under the responsibility of the State is placed with prospective foster parents, the prospective foster parents will be prepared adequately with the appropriate knowledge and skills to provide for the needs of the child, that the preparation will be continued, as necessary, after the placement of the child, and that the preparation shall include knowledge and skills relating to the reasonable and prudent parent standard for the participation of the child in age or developmentally-appropriate activities, including knowledge and skills relating to the developmental stages of the cognitive, emotional, physical, and behavioral capacities of a child,

and knowledge and skills relating to applying the standard to decisions such as whether to allow the child to engage in social, extracurricular, enrichment, cultural, and social activities, including sports, field trips, and overnight activities lasting 1 or more days, and to decisions involving the signing of permission slips and arranging of transportation for the child to and from extracurricular, enrichment, and social activities;

(25) provides that the State shall have in effect procedures for the orderly and timely interstate placement of children, which, in the case of a State other than the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, or American Samoa, not later than October 1, 2027, shall include the use of an electronic interstate case-processing system; and procedures implemented in accordance with an interstate compact, if incorporating with the procedures prescribed by paragraph (26), shall be considered to satisfy the requirement of this paragraph;

(26) provides that—

(A)(i) within 60 days after the State receives from another State a request to conduct a study of a home environment for purposes of assessing the safety and suitability of placing a child in the home, the State shall, directly or by contract—

(I) conduct and complete the study; and

(II) had been living in the home within 6 months before the month in which the agreement was entered into or the proceedings were initiated, and would have received the aid in or for such month, if, in such month, the child had been living in the home with the relative referred to in paragraph (1) and application for the aid had been made.

(B) Resources determination

For purposes of subparagraph (A), in determining whether a child would have received aid under a State plan approved under section 602 of this title (as in effect on July 16, 1996), a child whose resources (determined pursuant to section 602(a)(7)(B) of this title, as so in effect) have a combined value of not more than \$10,000 shall be considered a child whose resources have a combined value of not more than \$1,000 (or such lower amount as the State may determine for purposes of section 602(a)(7)(B) of this title).

(4) Eligibility of certain alien children

Subject to title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 [8 U.S.C. 1601 et seq.], if the child is an alien disqualified under section 1255a(h) or 1160(f) of title 8 from receiving aid under the State plan approved under section 602 of this title in or for the month in which the agreement described in paragraph (2)(A)(i) was entered into or court proceedings leading to the determination described in paragraph (2)(A)(ii) were initiated, the child shall be considered to satisfy the requirements of paragraph (3), with respect to the month, if the child would have satisfied the requirements but for the disqualification.

(b) Additional qualifications

Foster care maintenance payments may be made under this part only on behalf of a child described in subsection (a) of this section who is—

(1) in the foster family home of an individual, whether the payments therefor are made to such individual or to a public or private child-placement or child-care agency, or

(2) in a child-care institution, whether the payments therefor are made to such institution or to a public or private child-placement or child-care agency, which payments shall be limited so as to include in such payments only those items which are included in the term “foster care maintenance payments” (as defined in section 675(4) of this title).

(c) Definitions

For purposes of this part:

(1) Foster family home

(A) In general

The term “foster family home” means the home of an individual or family—

(i) that is licensed or approved by the State in which it is situated as a foster family home that meets the standards established for the licensing or approval; and

(ii) in which a child in foster care has been placed in the care of an individual, who resides with the child and who has been licensed or approved by the State to be a foster parent—

(I) that the State deems capable of adhering to the reasonable and prudent parent standard;

(II) that provides 24-hour substitute care for children placed away from their parents or other caretakers; and

(III) that provides the care for not more than six children in foster care.

(B) State flexibility

The number of foster children that may be cared for in a home under subparagraph (A) may exceed the numerical limitation in subparagraph (A)(ii)(III), at the option of the State, for any of the following reasons:

(i) To allow a parenting youth in foster care to remain with the child of the parenting youth.

(ii) To allow siblings to remain together.

(iii) To allow a child with an established meaningful relationship with the family to remain with the family.

(iv) To allow a family with special training or skills to provide care to a child who has a severe disability.

(C) Rule of construction

Subparagraph (A) shall not be construed as prohibiting a foster parent from renting the home in which the parent cares for a foster child placed in the parent's care.

(2) Child-care institution

(A) In general

The term “child-care institution” means a private child-care institution, or a public child-care institution which accommodates no more than 25 children, which is licensed by the State in which it is situated or has been approved by the agency of the State responsible for licensing or approval of institutions of this type as meeting the standards established for the licensing.

(B) Supervised settings

In the case of a child who has attained 18 years of age, the term shall include a supervised setting in which the individual is living independently, in accordance with such conditions as the Secretary shall establish in regulations.

(C) Exclusions

The term shall not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

(d) Children removed from their homes pursuant to voluntary placement agreements

Notwithstanding any other provision of this subchapter, Federal payments may be made under this part with respect to amounts ex-

pending by any State as foster care maintenance payments under this section, in the case of children removed from their homes pursuant to voluntary placement agreements as described in subsection (a), only if (at the time such amounts were expended) the State has fulfilled all of the requirements of section 622(b)(8) of this title.

(e) Placements in best interest of child

No Federal payment may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of any child who was removed from his or her home pursuant to a voluntary placement agreement as described in subsection (a) and has remained in voluntary placement for a period in excess of 180 days, unless there has been a judicial determination by a court of competent jurisdiction (within the first 180 days of such placement) to the effect that such placement is in the best interests of the child.

(f) “Voluntary placement” and “voluntary placement agreement” defined

For the purposes of this part and part B of this subchapter, (1) the term “voluntary placement” means an out-of-home placement of a minor, by or with participation of a State agency, after the parents or guardians of the minor have requested the assistance of the agency and signed a voluntary placement agreement; and (2) the term “voluntary placement agreement” means a written agreement, binding on the parties to the agreement, between the State agency, any other agency acting on its behalf, and the parents or guardians of a minor child which specifies, at a minimum, the legal status of the child and the rights and obligations of the parents or guardians, the child, and the agency while the child is in placement.

(g) Revocation of voluntary placement agreement

In any case where—

(1) the placement of a minor child in foster care occurred pursuant to a voluntary placement agreement entered into by the parents or guardians of such child as provided in subsection (a), and

(2) such parents or guardians request (in such manner and form as the Secretary may prescribe) that the child be returned to their home or to the home of a relative,

the voluntary placement agreement shall be deemed to be revoked unless the State agency opposes such request and obtains a judicial determination, by a court of competent jurisdiction, that the return of the child to such home would be contrary to the child’s best interests.

(h) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect). For purposes of division

A¹ of subchapter XX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and is deemed to be a recipient of assistance under such part.

(2) For purposes of paragraph (1), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child’s minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance payments are made under this section.

(i) Administrative costs associated with otherwise eligible children not in licensed foster care settings

Expenditures by a State that would be considered administrative expenditures for purposes of section 674(a)(3) of this title if made with respect to a child who was residing in a foster family home or child-care institution shall be so considered with respect to a child not residing in such a home or institution—

(1) in the case of a child who has been removed in accordance with subsection (a) of this section from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996), only for expenditures—

(A) with respect to a period of not more than the lesser of 12 months or the average length of time it takes for the State to license or approve a home as a foster home, in which the child is in the home of a relative and an application is pending for licensing or approval of the home as a foster family home; or

(B) with respect to a period of not more than 1 calendar month when a child moves from a facility not eligible for payments under this part into a foster family home or child care institution licensed or approved by the State; and

(2) in the case of any other child who is potentially eligible for benefits under a State plan approved under this part and at imminent risk of removal from the home, only if—

(A) reasonable efforts are being made in accordance with section 671(a)(15) of this title to prevent the need for, or if necessary to pursue, removal of the child from the home; and

(B) the State agency has made, not less often than every 6 months, a determination (or redetermination) as to whether the child remains at imminent risk of removal from the home.

(j) Children placed with a parent residing in a licensed residential family-based treatment facility for substance abuse

(1) In general

Notwithstanding the preceding provisions of this section, a child who is eligible for foster care maintenance payments under this section, or who would be eligible for the payments if the eligibility were determined with-

¹ See References in Text note below.

out regard to paragraphs (1)(B) and (3) of subsection (a), shall be eligible for the payments for a period of not more than 12 months during which the child is placed with a parent who is in a licensed residential family-based treatment facility for substance abuse, but only if—

(A) the recommendation for the placement is specified in the child's case plan before the placement;

(B) the treatment facility provides, as part of the treatment for substance abuse, parenting skills training, parent education, and individual and family counseling; and

(C) the substance abuse treatment, parenting skills training, parent education, and individual and family counseling is provided under an organizational structure and treatment framework that involves understanding, recognizing, and responding to the effects of all types of trauma and in accordance with recognized principles of a trauma-informed approach and trauma-specific interventions to address the consequences of trauma and facilitate healing.

(2) Application

With respect to children for whom foster care maintenance payments are made under paragraph (1), only the children who satisfy the requirements of paragraphs (1)(B) and (3) of subsection (a) shall be considered to be children with respect to whom foster care maintenance payments are made under this section for purposes of subsection (h) or section 673(b)(3)(B) of this title.

(k) Limitation on Federal financial participation

(1) In general

Beginning with the third week for which foster care maintenance payments are made under this section on behalf of a child placed in a child-care institution, no Federal payment shall be made to the State under section 674(a)(1) of this title for amounts expended for foster care maintenance payments on behalf of the child unless—

(A) the child is placed in a child-care institution that is a setting specified in paragraph (2) (or is placed in a licensed residential family-based treatment facility consistent with subsection (j)); and

(B) in the case of a child placed in a qualified residential treatment program (as defined in paragraph (4)), the requirements specified in paragraph (3) and section 675a(c) of this title are met.

(2) Specified settings for placement

The settings for placement specified in this paragraph are the following:

(A) A qualified residential treatment program (as defined in paragraph (4)).

(B) A setting specializing in providing prenatal, post-partum, or parenting supports for youth.

(C) In the case of a child who has attained 18 years of age, a supervised setting in which the child is living independently.

(D) A setting providing high-quality residential care and supportive services to children and youth who have been found to be,

or are at risk of becoming, sex trafficking victims, in accordance with section 671(a)(9)(C) of this title.

(3) Assessment to determine appropriateness of placement in a qualified residential treatment program

(A) Deadline for assessment

In the case of a child who is placed in a qualified residential treatment program, if the assessment required under section 675a(c)(1) of this title is not completed within 30 days after the placement is made, no Federal payment shall be made to the State under section 674(a)(1) of this title for any amounts expended for foster care maintenance payments on behalf of the child during the placement.

(B) Deadline for transition out of placement

If the assessment required under section 675a(c)(1) of this title determines that the placement of a child in a qualified residential treatment program is not appropriate, a court disapproves such a placement under section 675a(c)(2) of this title, or a child who has been in an approved placement in a qualified residential treatment program is going to return home or be placed with a fit and willing relative, a legal guardian, or an adoptive parent, or in a foster family home, Federal payments shall be made to the State under section 674(a)(1) of this title for amounts expended for foster care maintenance payments on behalf of the child while the child remains in the qualified residential treatment program only during the period necessary for the child to transition home or to such a placement. In no event shall a State receive Federal payments under section 674(a)(1) of this title for amounts expended for foster care maintenance payments on behalf of a child who remains placed in a qualified residential treatment program after the end of the 30-day period that begins on the date a determination is made that the placement is no longer the recommended or approved placement for the child.

(4) Qualified residential treatment program

For purposes of this part, the term “qualified residential treatment program” means a program that—

(A) has a trauma-informed treatment model that is designed to address the needs, including clinical needs as appropriate, of children with serious emotional or behavioral disorders or disturbances and, with respect to a child, is able to implement the treatment identified for the child by the assessment of the child required under section 675a(c) of this title;

(B) subject to paragraphs (5) and (6), has registered or licensed nursing staff and other licensed clinical staff who—

(i) provide care within the scope of their practice as defined by State law;

(ii) are on-site according to the treatment model referred to in subparagraph (A); and

(iii) are available 24 hours a day and 7 days a week;

(C) to extent appropriate, and in accordance with the child's best interests, facilitates participation of family members in the child's treatment program;

(D) facilitates outreach to the family members of the child, including siblings, documents how the outreach is made (including contact information), and maintains contact information for any known biological family and fictive kin of the child;

(E) documents how family members are integrated into the treatment process for the child, including post-discharge, and how sibling connections are maintained;

(F) provides discharge planning and family-based aftercare support for at least 6 months post-discharge; and

(G) is licensed in accordance with section 671(a)(10) of this title and is accredited by any of the following independent, not-for-profit organizations:

(i) The Commission on Accreditation of Rehabilitation Facilities (CARF).

(ii) The Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

(iii) The Council on Accreditation (COA).

(iv) Any other independent, not-for-profit accrediting organization approved by the Secretary.

(5) Administrative costs

The prohibition in paragraph (1) on Federal payments under section 674(a)(1) of this title shall not be construed as prohibiting Federal payments for administrative expenditures incurred on behalf of a child placed in a child-care institution and for which payment is available under section 674(a)(3) of this title.

(6) Rule of construction

The requirements in paragraph (4)(B) shall not be construed as requiring a qualified residential treatment program to acquire nursing and behavioral health staff solely through means of a direct employer to employee relationship.

(a) Agreements with adoptive parents of children with special needs; State payments; qualifying children; amount of payments; changes in circumstances; placement period prior to adoption; nonrecurring adoption expenses

(1)(A) Each State having a plan approved under this part shall enter into adoption assist-

ance agreements (as defined in section 675(3) of this title) with the adoptive parents of children with special needs.

(B) Under any adoption assistance agreement entered into by a State with parents who adopt a child with special needs, the State—

(i) shall make payments of nonrecurring adoption expenses incurred by or on behalf of such parents in connection with the adoption of such child, directly through the State agency or through another public or nonprofit private agency, in amounts determined under paragraph (3), and

(ii) in any case where the child meets the requirements of paragraph (2), may make adoption assistance payments to such parents, directly through the State agency or through another public or nonprofit private agency, in amounts so determined.

(2)(A) For purposes of paragraph (1)(B)(ii), a child meets the requirements of this paragraph if—

(i) in the case of a child who is not an applicable child for the fiscal year (as defined in subsection (e)), the child—

(I)(aa)(AA) was removed from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996) and placed in foster care in accordance with a voluntary placement agreement with respect to which Federal payments are provided under section 674 of this title (or section 603 of this title, as such section was in effect on July 16, 1996), or in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; and

(BB) met the requirements of section 672(a)(3) of this title with respect to the home referred to in subitem (AA) of this item;

(bb) meets all of the requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; or

(cc) is a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to the minor parent of the child as provided in section 675(4)(B) of this title; and

(II) has been determined by the State, pursuant to subsection (c)(1) of this section, to be a child with special needs; or

(ii) in the case of a child who is an applicable child for the fiscal year (as so defined), the child—

(I)(aa) at the time of initiation of adoption proceedings was in the care of a public or licensed private child placement agency or Indian tribal organization pursuant to—

(AA) an involuntary removal of the child from the home in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; or

(bb) meets all medical or disability requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; or

(cc) was residing in a foster family home or child care institution with the child's minor parent, and the child's minor parent was in such foster family home or child care institution pursuant to—

(AA) an involuntary removal of the child from the home in accordance with a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; or

(BB) a voluntary placement agreement or voluntary relinquishment; and

(II) has been determined by the State, pursuant to subsection (c)(2), to be a child with special needs.

(B) Section 672(a)(4) of this title shall apply for purposes of subparagraph (A) of this paragraph, in any case in which the child is an alien described in such section.

(C) A child shall be treated as meeting the requirements of this paragraph for the purpose of paragraph (1)(B)(ii) if—

(i) in the case of a child who is not an applicable child for the fiscal year (as defined in subsection (e)), the child—

(I) meets the requirements of subparagraph (A)(i)(II);

(II) was determined eligible for adoption assistance payments under this part with respect to a prior adoption;

(III) is available for adoption because—

(aa) the prior adoption has been dissolved, and the parental rights of the adoptive parents have been terminated; or

(bb) the child's adoptive parents have died; and

(IV) fails to meet the requirements of subparagraph (A)(i) but would meet such requirements if—

(aa) the child were treated as if the child were in the same financial and other circumstances the child was in the last time the child was determined eligible for adoption assistance payments under this part; and

(bb) the prior adoption were treated as never having occurred; or

(ii) in the case of a child who is an applicable child for the fiscal year (as so defined), the child meets the requirements of subparagraph (A)(ii)(II), is determined eligible for adoption assistance payments under this part with respect to a prior adoption (or who would have been determined eligible for such payments had the Adoption and Safe Families Act of 1997 been in effect at the time that such determination would have been made), and is available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died.

(D) In determining the eligibility for adoption assistance payments of a child in a legal guardianship arrangement described in section 671(a)(28) of this title, the placement of the child with the relative guardian involved and any kinship guardianship assistance payments made on behalf of the child shall be considered never to have been made.

(3) The amount of the payments to be made in any case under clauses (i) and (ii) of paragraph (1)(B) shall be determined through agreement between the adoptive parents and the State or local agency administering the program under this section, which shall take into consideration the circumstances of the adopting parents and the needs of the child being adopted, and may be readjusted periodically, with the concurrence of the adopting parents (which may be specified in the adoption assistance agreement), depending upon changes in such circumstances. However, in no case may the amount of the adoption assistance payment made under clause (ii) of paragraph (1)(B) exceed the foster care maintenance payment which would have been paid during the period if the child with respect to whom the adoption assistance payment is made had been in a foster family home.

(4)(A) Notwithstanding any other provision of this section, a payment may not be made pursuant to this section to parents or relative guardians with respect to a child—

(i) who has attained—

(I) 18 years of age, or such greater age as the State may elect under section 675(8)(B)(iii) of this title; or

(II) 21 years of age, if the State determines that the child has a mental or physical handicap which warrants the continuation of assistance;

(ii) who has not attained 18 years of age, if the State determines that the parents or relative guardians, as the case may be, are no longer legally responsible for the support of the child; or

(iii) if the State determines that the child is no longer receiving any support from the parents or relative guardians, as the case may be.

(B) Parents or relative guardians who have been receiving adoption assistance payments or kinship guardianship assistance payments under this section shall keep the State or local agency administering the program under this section informed of circumstances which would, pursuant to this subsection, make them ineligible for the payments, or eligible for the payments in a different amount.

(5) For purposes of this part, individuals with whom a child (who has been determined by the State, pursuant to subsection (c), to be a child with special needs) is placed for adoption in accordance with applicable State and local law shall be eligible for such payments, during the period of the placement, on the same terms and subject to the same conditions as if such individuals had adopted such child.

(6)(A) For purposes of paragraph (1)(B)(i), the term "nonrecurring adoption expenses" means reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the legal adoption of a child with special needs and which are not incurred in violation of State or Federal law.

(B) A State's payment of nonrecurring adoption expenses under an adoption assistance agreement shall be treated as an expenditure made for the proper and efficient administration of the State plan for purposes of section 674(a)(3)(E) of this title.

(7)(A) Notwithstanding any other provision of this subsection, no payment may be made to parents with respect to any applicable child for a fiscal year that—

- (i) would be considered a child with special needs under subsection (c)(2);
- (ii) is not a citizen or resident of the United States; and
- (iii) was adopted outside of the United States or was brought into the United States for the purpose of being adopted.

(B) Subparagraph (A) shall not be construed as prohibiting payments under this part for an applicable child described in subparagraph (A) that is placed in foster care subsequent to the failure, as determined by the State, of the initial adoption of the child by the parents described in subparagraph (A).

(8)(A) A State shall calculate the savings (if any) resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, using a methodology specified by the Secretary or an alternate methodology proposed by the State and approved by the Secretary.

(B) A State shall annually report to the Secretary—

- (i) the methodology used to make the calculation described in subparagraph (A), without regard to whether any savings are found;
- (ii) the amount of any savings referred to in subparagraph (A); and
- (iii) how any such savings are spent, accounting for and reporting the spending separately from any other spending reported to the Secretary under part B or this part.

(C) The Secretary shall make all information reported pursuant to subparagraph (B) available on the website of the Department of Health and Human Services in a location easily accessible to the public.

(D)(i) A State shall spend an amount equal to the amount of the savings (if any) in State expenditures under this part resulting from the application of paragraph (2)(A)(ii) to all applicable children for a fiscal year, to provide to children of families any service that may be provided under part B or this part. A State shall spend not less than 30 percent of any such savings on post-adoption services, post-guardianship services, and services to support and sustain positive permanent outcomes for children who otherwise might enter into foster care under the responsibility of the State, with at least $\frac{2}{3}$ of the spending by the State to comply with such 30 percent requirement being spent on post-adoption and post-guardianship services.

(ii) Any State spending required under clause (i) shall be used to supplement, and not supplant, any Federal or non-Federal funds used to provide any service under part B or this part.

(b) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX, any child who is described in paragraph (3) is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect) in the State where such child resides.

(2) For purposes of division A¹ of subchapter XX, any child who is described in paragraph (3) is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and deemed to be a recipient of assistance under such part.

(3) A child described in this paragraph is any child—

(A)(i) who is a child described in subsection (a)(2), and

(ii) with respect to whom an adoption assistance agreement is in effect under this section (whether or not adoption assistance payments are provided under the agreement or are being made under this section), including any such child who has been placed for adoption in accordance with applicable State and local law (whether or not an interlocutory or other judicial decree of adoption has been issued),

(B) with respect to whom foster care maintenance payments are being made under section 672 of this title, or

(C) with respect to whom kinship guardianship assistance payments are being made pursuant to subsection (d).

(4) For purposes of paragraphs (1) and (2), a child whose costs in a foster family home or child-care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance payments are being made under section 672 of this title.

(c) Children with special needs

For purposes of this section—

(1) in the case of a child who is not an applicable child for a fiscal year, the child shall not be considered a child with special needs unless—

(A) the State has determined that the child cannot or should not be returned to the home of his parents; and

(B) the State had first determined (A) that there exists with respect to the child a specific factor or condition (such as his ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that such child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX, and (B) that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX; or

(2) in the case of a child who is an applicable child for a fiscal year, the child shall not be considered a child with special needs unless—

¹ See References in Text note below.

(A) the State has determined, pursuant to a criterion or criteria established by the State, that the child cannot or should not be returned to the home of his parents;

(B)(i) the State has determined that there exists with respect to the child a specific factor or condition (such as ethnic background, age, or membership in a minority or sibling group, or the presence of factors such as medical conditions or physical, mental, or emotional handicaps) because of which it is reasonable to conclude that the child cannot be placed with adoptive parents without providing adoption assistance under this section and medical assistance under subchapter XIX; or

(ii) the child meets all medical or disability requirements of subchapter XVI with respect to eligibility for supplemental security income benefits; and

(C) the State has determined that, except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of the parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under subchapter XIX.

(C) Interstate applicability

The agreement shall provide that the agreement shall remain in effect without re-

gard to the State residency of the relative guardian.

(D) No effect on Federal reimbursement

Nothing in subparagraph (B)(iv) shall be construed as affecting the ability of the State to obtain reimbursement from the Federal Government for costs described in that subparagraph.

(2) Limitations on amount of kinship guardianship assistance payment

A kinship guardianship assistance payment on behalf of a child shall not exceed the foster care maintenance payment which would have been paid on behalf of the child if the child had remained in a foster family home.

(3) Child's eligibility for a kinship guardianship assistance payment

(A) In general

A child is eligible for a kinship guardianship assistance payment under this subsection if the State agency determines the following:

(I) removed from his or her home pursuant to a voluntary placement agreement or as a result of a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child; and

(II) eligible for foster care maintenance payments under section 672 of this title while residing for at least 6 consecutive months in the home of the prospective relative guardian.

(ii) Being returned home or adopted are not appropriate permanency options for the child.

(B) Treatment of siblings

With respect to a child described in subparagraph (A) whose sibling or siblings are not so described—

(i) the child and any sibling of the child may be placed in the same kinship guardianship arrangement, in accordance with section 671(a)(31) of this title, if the State agency and the relative agree on the appropriateness of the arrangement for the siblings; and

(ii) kinship guardianship assistance payments may be paid on behalf of each sibling so placed.

(C) Eligibility not affected by replacement of guardian with a successor guardian

In the event of the death or incapacity of the relative guardian, the eligibility of a child for a kinship guardianship assistance payment under this subsection shall not be affected by reason of the replacement of the

relative guardian with a successor legal guardian named in the kinship guardianship assistance agreement referred to in paragraph (1) (including in any amendment to the agreement), notwithstanding subparagraph (A) of this paragraph and section 671(a)(28) of this title.

(A) In general

Subject to paragraphs (2) and (3), in this section, the term “applicable child” means a child for whom an adoption assistance agreement is entered into under this section during any fiscal year described in subparagraph (B) if the child attained the applicable age for that fiscal year before the end of that fiscal year.

FINDINGS

Pub. L. 108-145, § 2, Dec. 2, 2003, 117 Stat. 1879, provided that: "The Congress finds the following:

"(1) In 1997, the Congress passed the Adoption and Safe Families Act of 1997 [Pub. L. 105-89; see Short Title of 1997 Amendment note set out under section 1305 of this title] to promote comprehensive child welfare reform to ensure that consideration of children's safety is paramount in child welfare decisions, and to provide a greater sense of urgency to find every child a safe, permanent home.

"(2) The Adoption and Safe Families Act of 1997 also created the Adoption Incentives program, which authorizes incentive payments to States to promote adoptions, with additional incentives provided for the adoption of foster children with special needs.

"(3) Since 1997, all States, the District of Columbia, and Puerto Rico have qualified for incentive payments for their work in promoting adoption of foster children.

"(4) Between 1997 and 2002, adoptions increased by 64 percent, and adoptions of children with special needs increased by 63 percent; however, 542,000 children remain in foster care, and 126,000 are eligible for adoption.

"(5) Although substantial progress has been made to promote adoptions, attention should be focused on promoting adoption of older children. Recent data suggest that half of the children waiting to be adopted are age 9 or older."

(2) the amount, if any, allotted to the State under section 677(c)(3) of this title for the fiscal year in which the quarter occurs, reduced by the total of the amounts payable to the State under this subsection for such purposes for all prior quarters in the fiscal year.

(f) Reduction for failure to submit required data

(1) If the Secretary finds that a State has failed to submit to the Secretary data, as required by regulation, for the data collection system implemented under section 679 of this title, the Secretary shall, within 30 days after the date by which the data was due to be so submitted, notify the State of the failure and that payments to the State under this part will be reduced if the State fails to submit the data, as so required, within 6 months after the date the data was originally due to be so submitted.

(2) If the Secretary finds that the State has failed to submit the data, as so required, by the end of the 6-month period referred to in paragraph (1) of this subsection, then, notwithstanding subsection (a) of this section and any regulations promulgated under section 1320a-2a(b)(3) of this title, the Secretary shall reduce the amounts otherwise payable to the State under this part, for each quarter ending in the 6-month period (and each quarter ending in each subsequent consecutively occurring 6-month period until the Secretary finds that the State has submitted the data, as so required), by—

(A) $\frac{1}{6}$ of 1 percent of the total amount expended by the State for administration of foster care activities under the State plan approved under this part in the quarter so ending, in the case of the 1st 6-month period during which the failure continues; or

(A) A description of the type of home or institution in which a child is to be placed, including a discussion of the safety and appropriateness of the placement and how the agency which is responsible for the child plans to carry out the voluntary placement agreement entered into or judicial determination made with respect to the child in accordance with section 672(a)(1)¹ of this title.

(B) A plan for assuring that the child receives safe and proper care and that services are provided to the parents, child, and foster parents in order to improve the conditions in the parents’ home, facilitate return of the child to his own safe home or the permanent placement of the child, and address the needs of the child while in foster care, including a discussion of the appropriateness of the services that have been provided to the child under the plan. With respect to a child who has attained 14 years of age, the plan developed for the child in accordance with this paragraph, and any revision or addition to the plan, shall be developed in consultation with the child and, at the option of the child, with up to 2 members of the case planning team who are chosen by the child and who are not a foster parent of, or caseworker for, the child. A State may reject an individual selected by a child to be a member of the case planning team at any time if the State has good cause to believe that the individual would not act in the best interests of the child. One individual selected by a child to be a member of the child’s case planning team may be designated to be the child’s advisor and, as necessary, advocate, with respect to the application of the reasonable and prudent parent standard to the child.

(D) For a child who has attained 14 years of age or over, a written description of the programs and services which will help such child prepare for the transition from foster care to a successful adulthood.

(E) In the case of a child with respect to whom the permanency plan is adoption or placement in another permanent home, documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangement for the child, to place the child with an adoptive family, a fit and willing relative, a legal guardian, or in another planned permanent living arrangement, and to finalize the adoption or legal guardianship. At a minimum, such documentation shall include child specific recruitment efforts such as the use of State, regional, and national adoption exchanges including electronic exchange systems to facilitate orderly and timely in-State and interstate placements.

(F) In the case of a child with respect to whom the permanency plan is placement with a relative and receipt of kinship guardianship assistance payments under section 673(d) of this title, a description of—

(i) the steps that the agency has taken to determine that it is not appropriate for the child to be returned home or adopted;

(iv) the ways in which the child meets the eligibility requirements for a kinship guardianship assistance payment;

(v) the efforts the agency has made to discuss adoption by the child’s relative foster parent as a more permanent alternative to legal guardianship and, in the case of a relative foster parent who has chosen not to pursue adoption, documentation of the reasons therefor; and

(vi) the efforts made by the State agency to discuss with the child’s parent or parents the kinship guardianship assistance arrangement, or the reasons why the efforts were not made.

(G) A plan for ensuring the educational stability of the child while in foster care, including—

(i) assurances that each placement of the child in foster care takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement; and

(ii)(I) an assurance that the State agency has coordinated with appropriate local educational agencies (as defined under section 7801 of title 20) to ensure that the child remains in the school in which the child is enrolled at the time of each placement; or

¹ See References in Text note below.

(II) if remaining in such school is not in the best interests of the child, assurances by the State agency and the local educational agencies to provide immediate and appropriate enrollment in a new school, with all of the educational records of the child provided to the school.

(2) The term “parents” means biological or adoptive parents or legal guardians, as determined by applicable State law.

(3) The term “adoption assistance agreement” means a written agreement, binding on the parties to the agreement, between the State agency, other relevant agencies, and the prospective adoptive parents of a minor child which at a minimum (A) specifies the nature and amount of any payments, services, and assistance to be provided under such agreement, and (B) stipulates that the agreement shall remain in effect regardless of the State of which the adoptive parents are residents at any given time. The agreement shall contain provisions for the protection (under an interstate compact approved by the Secretary or otherwise) of the interests of the child in cases where the adoptive parents and child move to another State while the agreement is effective.

(4)(A) The term “foster care maintenance payments” means payments to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child’s personal incidentals, liability insurance with respect to a child, reasonable travel to the child’s home for visitation, and reasonable travel for the child to remain in the school in which the child is enrolled at the time of placement. In the case of institutional care, such term shall include the reasonable costs of administration and operation of such institution as are necessarily required to provide the items described in the preceding sentence.

(5) The term “case review system” means a procedure for assuring that—

(A) each child has a case plan designed to achieve placement in a safe setting that is the least restrictive (most family like) and most appropriate setting available and in close proximity to the parents’ home, consistent with the best interest and special needs of the child, which—

(i) if the child has been placed in a foster family home or child-care institution a substantial distance from the home of the

parents of the child, or in a State different from the State in which such home is located, sets forth the reasons why such placement is in the best interests of the child, and

(ii) if the child has been placed in foster care outside the State in which the home of the parents of the child is located, requires that, periodically, but not less frequently than every 6 months, a caseworker on the staff of the State agency of the State in which the home of the parents of the child is located, of the State in which the child has been placed, or of a private agency under contract with either such State, visit such child in such home or institution and submit a report on such visit to the State agency of the State in which the home of the parents of the child is located.²

(B) the status of each child is reviewed periodically but no less frequently than once every six months by either a court or by administrative review (as defined in paragraph (6)) in order to determine the safety of the child, the continuing necessity for and appropriateness of the placement, the extent of compliance with the case plan, and the extent of progress which has been made toward alleviating or mitigating the causes necessitating placement in foster care, and to project a likely date by which the child may be returned to and safely maintained in the home or placed for adoption or legal guardianship, and, for a child for whom another planned permanent living arrangement has been determined as the permanency plan, the steps the State agency is taking to ensure the child’s foster family home or child care institution is following the reasonable and prudent parent standard and to ascertain whether the child has regular, ongoing opportunities to engage in age or developmentally appropriate activities (including by consulting with the child in an age-appropriate manner about the opportunities of the child to participate in the activities);

(C) with respect to each such child, (i) procedural safeguards will be applied, among other things, to assure each child in foster care under the supervision of the State of a permanency hearing to be held, in a family or juvenile court or another court (including a tribal court) of competent jurisdiction, or by an administrative body appointed or approved by the court, no later than 12 months after the date the child is considered to have entered foster care (as determined under subparagraph (F)) (and not less frequently than every 12 months thereafter during the continuation of foster care), which hearing shall determine the permanency plan for the child that includes whether, and if applicable when, the child will be returned to the parent, placed for adoption and the State will file a petition for termination of parental rights, or referred for legal guardianship, or only in the case of a child who has at-

(D) a child's health and education record (as described in paragraph (1)(A)) is reviewed and updated, and a copy of the record is supplied to the foster parent or foster care provider with whom the child is placed, at the time of each placement of the child in foster care, and is supplied to the child at no cost at the time the child leaves foster care if the child is leaving foster care by reason of having attained the age of majority under State law;

(E) in the case of a child who has been in foster care under the responsibility of the State for 15 of the most recent 22 months, or, if a court of competent jurisdiction has determined a child to be an abandoned infant (as defined under State law) or has made a

§ 675a. Additional case plan and case review system requirements

(a) Requirements for another planned permanent living arrangement

In the case of any child for whom another planned permanent living arrangement is the permanency plan determined for the child under section 675(5)(C) of this title, the following requirements shall apply for purposes of approving the case plan for the child and the case system review procedure for the child:

(1) Documentation of intensive, ongoing, unsuccessful efforts for family placement

At each permanency hearing held with respect to the child, the State agency documents the intensive, ongoing, and, as of the date of the hearing, unsuccessful efforts made by the State agency to return the child home or secure a placement for the child with a fit and willing relative (including adult siblings), a legal guardian, or an adoptive parent, including through efforts that utilize search technology (including social media) to find biological family members for the children.

(2) Redetermination of appropriateness of placement at each permanency hearing

The State agency shall implement procedures to ensure that, at each permanency hearing held with respect to the child, the

court or administrative body appointed or approved by the court conducting the hearing on the permanency plan for the child does the following:

(A) Ask the child about the desired permanency outcome for the child.

(B) Make a judicial determination explaining why, as of the date of the hearing, another planned permanent living arrangement is the best permanency plan for the child and provide compelling reasons why it continues to not be in the best interests of the child to—

- (i) return home;
- (ii) be placed for adoption;
- (iii) be placed with a legal guardian; or
- (iv) be placed with a fit and willing relative.

(3) Demonstration of support for engaging in age or developmentally-appropriate activities and social events

At each permanency hearing held with respect to the child, the State agency shall document the steps the State agency is taking to ensure that—

(A) the child's foster family home or child care institution is following the reasonable and prudent parent standard; and

(B) the child has regular, ongoing opportunities to engage in age or developmentally appropriate activities (including by consulting with the child in an age-appropriate manner about the opportunities of the child to participate in the activities).

(b) List of rights

The case plan for any child in foster care under the responsibility of the State who has attained 14 years of age shall include—

(1) a document that describes the rights of the child with respect to education, health, visitation, and court participation, the right to be provided with the documents specified in section 675(5)(I) of this title in accordance with that section, and the right to stay safe and avoid exploitation; and

(2) a signed acknowledgment by the child that the child has been provided with a copy of the document and that the rights contained in the document have been explained to the child in an age-appropriate way.

(c) Assessment, documentation, and judicial determination requirements for placement in a qualified residential treatment program

In the case of any child who is placed in a qualified residential treatment program (as defined in section 672(k)(4) of this title), the following requirements shall apply for purposes of approving the case plan for the child and the case system review procedure for the child:

(1)(A) Within 30 days of the start of each placement in such a setting, a qualified individual (as defined in subparagraph (D)) shall—

(i) assess the strengths and needs of the child using an age-appropriate, evidence-based, validated, functional assessment tool approved by the Secretary;

(ii) determine whether the needs of the child can be met with family members or through placement in a foster family home

or, if not, which setting from among the settings specified in section 672(k)(2) of this title would provide the most effective and appropriate level of care for the child in the least restrictive environment and be consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child; and

(iii) develop a list of child-specific short- and long-term mental and behavioral health goals.

(B)(i) The State shall assemble a family and permanency team for the child in accordance with the requirements of clauses (ii) and (iii). The qualified individual conducting the assessment required under subparagraph (A) shall work in conjunction with the family of, and permanency team for, the child while conducting and making the assessment.

(ii) The family and permanency team shall consist of all appropriate biological family members, relative, and fictive kin of the child, as well as, as appropriate, professionals who are a resource to the family of the child, such as teachers, medical or mental health providers who have treated the child, or clergy. In the case of a child who has attained age 14, the family and permanency team shall include the members of the permanency planning team for the child that are selected by the child in accordance with section 675(5)(C)(iv) of this title.

(iii) The State shall document in the child's case plan—

(I) the reasonable and good faith effort of the State to identify and include all the individuals described in clause (ii) on the child's family and permanency team;

(II) all contact information for members of the family and permanency team, as well as contact information for other family members and fictive kin who are not part of the family and permanency team;

(III) evidence that meetings of the family and permanency team, including meetings relating to the assessment required under subparagraph (A), are held at a time and place convenient for family;

(IV) if reunification is the goal, evidence demonstrating that the parent from whom the child was removed provided input on the members of the family and permanency team;

(V) evidence that the assessment required under subparagraph (A) is determined in conjunction with the family and permanency team;

(VI) the placement preferences of the family and permanency team relative to the assessment that recognizes children should be placed with their siblings unless there is a finding by the court that such placement is contrary to their best interest; and

(VII) if the placement preferences of the family and permanency team and child are not the placement setting recommended by the qualified individual conducting the assessment under subparagraph (A), the reasons why the preferences of the team and of the child were not recommended.

(C) In the case of a child who the qualified individual conducting the assessment under

subparagraph (A) determines should not be placed in a foster family home, the qualified individual shall specify in writing the reasons why the needs of the child cannot be met by the family of the child or in a foster family home. A shortage or lack of foster family homes shall not be an acceptable reason for determining that the needs of the child cannot be met in a foster family home. The qualified individual also shall specify in writing why the recommended placement in a qualified residential treatment program is the setting that will provide the child with the most effective and appropriate level of care in the least restrictive environment and how that placement is consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child.

(D)(i) Subject to clause (ii), in this subsection, the term “qualified individual” means a trained professional or licensed clinician who is not an employee of the State agency and who is not connected to, or affiliated with, any placement setting in which children are placed by the State.

(ii) The Secretary may approve a request of a State to waive any requirement in clause (i) upon a submission by the State, in accordance with criteria established by the Secretary, that certifies that the trained professionals or licensed clinicians with responsibility for performing the assessments described in subparagraph (A) shall maintain objectivity with respect to determining the most effective and appropriate placement for a child.

(2) Within 60 days of the start of each placement in a qualified residential treatment program, a family or juvenile court or another court (including a tribal court) of competent jurisdiction, or an administrative body appointed or approved by the court, independently, shall—

(A) consider the assessment, determination, and documentation made by the qualified individual conducting the assessment under paragraph (1);

(B) determine whether the needs of the child can be met through placement in a foster family home or, if not, whether placement of the child in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment and whether that placement is consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child; and

(C) approve or disapprove the placement.

(3) The written documentation made under paragraph (1)(C) and documentation of the determination and approval or disapproval of the placement in a qualified residential treatment program by a court or administrative body under paragraph (2) shall be included in and made part of the case plan for the child.

(4) As long as a child remains placed in a qualified residential treatment program, the State agency shall submit evidence at each status review and each permanency hearing held with respect to the child—

(A) demonstrating that ongoing assessment of the strengths and needs of the child

continues to support the determination that the needs of the child cannot be met through placement in a foster family home, that the placement in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment, and that the placement is consistent with the short- and long-term goals for the child, as specified in the permanency plan for the child;

(B) documenting the specific treatment or service needs that will be met for the child in the placement and the length of time the child is expected to need the treatment or services; and

(C) documenting the efforts made by the State agency to prepare the child to return home or to be placed with a fit and willing relative, a legal guardian, or an adoptive parent, or in a foster family home.

(5) In the case of any child who is placed in a qualified residential treatment program for more than 12 consecutive months or 18 non-consecutive months (or, in the case of a child who has not attained age 13, for more than 6 consecutive or nonconsecutive months), the State agency shall submit to the Secretary—

(A) the most recent versions of the evidence and documentation specified in paragraph (4); and

(B) the signed approval of the head of the State agency for the continued placement of the child in that setting.

FINDINGS

Pub. L. 106-169, title I, §101(a), Dec. 14, 1999, 113 Stat. 1823, provided that: “The Congress finds the following:

“(1) States are required to make reasonable efforts to find adoptive families for all children, including older children, for whom reunification with their biological family is not in the best interests of the child. However, some older children will continue to live in foster care. These children should be enrolled in an Independent Living program designed and conducted by State and local government to help prepare them for employment, postsecondary education, and successful management of adult responsibilities.

“(2) Older children who continue to be in foster care as adolescents may become eligible for Independent Living programs. These Independent Living programs are not an alternative to adoption for these children. Enrollment in Independent Living programs can occur concurrent with continued efforts to locate and achieve placement in adoptive families for older children in foster care.

“(3) About 20,000 adolescents leave the Nation's foster care system each year because they have reached 18 years of age and are expected to support themselves.

“(4) Congress has received extensive information that adolescents leaving foster care have significant difficulty making a successful transition to adulthood; this information shows that children aging out of foster care show high rates of homelessness, non-marital childbearing, poverty, and delinquent or criminal behavior; they are also frequently the target of crime and physical assaults.

“(5) The Nation's State and local governments, with financial support from the Federal Government, should offer an extensive program of education, training, employment, and financial support for young adults leaving foster care, with participation in such program beginning several years before high school graduation and continuing, as needed, until the young adults emancipated from foster care establish independence or reach 21 years of age.”

“(1) **STUDY.**—The Secretary of Health and Human Services shall study the programs authorized under section 477 of the Social Security Act [42 U.S.C. 677] for the purposes of evaluating the effectiveness of the programs. The study shall include a comparison of outcomes of children who participated in the programs and a comparable group of children who did not participate in the programs.

“(2) **REPORT.**—Upon completion of the study, the Secretary shall issue a report to the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives.”
